

Change PIN

1. Select the “Change PIN” button on the main menu.
2. Enter you CURRENT PIN.
3. Now enter the NEW PIN you would like to use.
4. Re-enter the NEW PIN to confirm it.
5. A message will be displayed onscreen to confirm the PIN change.
6. Select the “OK” button. You will be returned to the main menu.

If you encounter any problems, please go to your nearest branch.
